Yeomanry Cavalry 205
Retired List 167
Yeomen of the Guard 30

In the List of Regiments, the *Field Officers* have the Date of their *last Regimental Appointments* annexed to their Names, their Army Rank being specified in the List of General and Field Officers; Captains with the Brevet of Field Officers, the Date of their *first* Commissions as Captains; the other *Captains, Subalterns,* and *Staff*, the Date of their *Army Rank*, their Seniority in the Regiment being indicated by the *Order* of their Names in each Rank.

The Words subscribed to the titles of Regiments, as "Peninsula," "Waterloo," &c. denote the Honorary Distinctions permitted to be borne by such Regiments on their Colours and Appointments, in commemoration of their Services.

In the List of Regiments the names of Officers on the Supernumerary or Seconded Lists are printed in *Italics*.

RETIRED FROM THE ARMY,

With the Regiments from which they Retired.

All General and Field Officers whose names are allowed to be retained in the Army List, whether they may have sold out since or previously to the issuing of Her Majesty's Royal Warrant of the 6th October, 1854, shall send a Notification to Her Majesty's Secretary of State for War of their being alive on the 1st January and the 1st July of each year.

If such Notification due on the 1st January be not received at the War Office by the 1st April, and that due on the 1st July by the 1st October, it will be concluded that the Officer is deceased, and his name will be removed from the Army List.

MILITIA AND YEOMANRY CAVALRY.

Alphabetical List OF FIELD OFFICERS

RETIRED FROM THE MILITIA AND YEOMANRY CAVALRY

With permission to retain their Rank.

All retired Field Officers of Militia and Yeomanry Cavalry whose names are allowed to be retained in the Army List, must send a Notification to the Under-Secretary of State for War of their being alive on the 1st January and the 1st July of each year.
If such Notification due on the 1st January be not received at the War Office by the 1st April, and that due on the 1st July by the 1st October, it will be concluded that the Officer is deceased, and his name will be removed.

*** *For Promotions and Appointments too late for insertion in their proper places, see post, p.* 351.

War Office, Pall Mall, 3rd June, 1870.

MEMORANDUM.

Dated Horse Guards, 3rd May, 1870.

With a view to obviating, as far as possible, any difficulties that might arise from the present unequal promotion to the rank of Major General of Colonels of the British and Indian Lists respectively, it is Her Majesty's pleasure that so much of the Horse Guards Memorandum, dated 25th April, 1855, as may refer to officers of the Indian Army promoted hereafter to the rank of Major General, shall be temporarily suspended; and that until further orders, the rank of Major General conferred under the first clause of the Regulations attached to the Royal Warrant dated 15th June, 1864, on an officer of the Indian List, shall be local until the Colonel of the Guards or Line of the British List, immediately senior to him as Colonel, may become a Major General, when the rank of the officer of the Indian List, as then held, will be made general, such antedate being given to the Commission of the Colonel of the British Army promoted to be Major General as will place the two officers in the same relative position as Major Generals as they held as Colonels.

In thus giving an antedate to the Commissions as Major Generals of officers who have been, or may be hereafter, promoted on the Imperial Lists, and extending the same principle whenever necessary to the Major Generals of the Artillery, Engineers and Marines, it is not intended in any way to interfere with the relative positions which the Major Generals of the several branches of the British Service may now or may hereafter hold among themselves under the operation of the ordinary and existing system of promotion.

MEM.—The second christian name of Maj. Gen. Brook Taylor is John (Gaz. 7 June, 1870).

FINANCE.

Cl. 89.—Royal Warrant for Working Pay, and Secretary of State's Instructions thereon.

VICTORIA R.

WHEREAS we deem it expedient to revise the regulations governing the working pay of our Army:

Our will and pleasure is that those portions of our Royal Warrant of 3rd February 1866, which relate to working pay, viz., Articles 226 to 228, 516 to 518, 520, 521—523, 542—550, 671, 672, and 707 be cancelled, and that this present Warrant shall regulate the issue of working pay to the officers, non-commissioned officers, and men of our Army, the Army Service Corps excepted.

General.

2. Working pay shall be a remuneration for work performed on permanent military works, public roads, and services required by the Departments of our Army, and shall be issued according to the qualifications and industry of the individuals actually employed, and also for superintending working parties under the regulations hereinafter laid down.

3. Working pay may also be issued, subject to the approval of our Secretary of State for War, for the performance of special duties at sieges, which may appear to the general officer commanding deserving of particular consideration.

Instructions of the Secretary of State for War.

Art. 1.—Non-commissioned officers and men of the Army Service Corps, being provided for by the Royal Warrant of 11th April, 1870, are not eligible to receive working pay.

Arts. 2 and 3.—(Extract from the Queen's Regulations, 1868). "899. Whenever the

ARMY CIRCULARS—*continued.*

4. Working pay shall be granted irrespective of the receipt of any other pay and allowances to which officers, non-commissioned officers and men may be entitled in respect of their regimenntal ranks.

5. Working pay shall be issued for the hours of actual labour at fixed hourly rates, except as hereinafter laid down. It shall not be issued for a fractional part of an hour.

6. When working pay is issued at the daily rates, it shall not be issued for any less fraction than a quarter of a day.

7. Working pay shall not be issued for the performance of any work, unless the performance of the work, and the issue of working pay for the same, shall have been sanctioned by competent authority.

8. Working pay shall not be granted for Sundays or holidays, nor to troops on a march, in hospital, or on board ship, unless when actually employed on some indispensable duty, for which working pay would ordinarily be issued.

9. The number of hours of actual labour in a working day shall average eight throughout the year, and the hours during which work shall be performed, in the several Departments of our Army, shall be laid down in General Orders at each station, on the recommendation of the head of the Department concerned, subject to the approval of our Secretary of State for War. Working parties detailed for duty with Departments having Special Regulations respecting working hours shall conform to such Regulations.

Officers.

10. An officer (except officers of the Staff, of the Royal Engineers, or of the Control Department and its Sub-Departments) superintending a working party entitled to working pay, shall receive working pay at 4*s.* a-day when superintending a hundred men or upwards, and at 2*s.* 6*d.* a-day when superintending less than that number.

11. Such working pay shall be issued to such officers only as the general or other officer commanding on the station may, on the requisition of the head of the Department requiring the working party, order to be attached thereto, and who shall attend throughout the working hours; but in no case shall the number of officers to whom working pay is issued exceed the proportion of one officer at 4*s.* or two officers at 2*s.* 6*d.* a-day for every hundred men employed on one and the same work.

12. When troops are detached, except on service in the field, for the purpose of furnishing working parties for the performance of duty for which working pay is allowed, no field or other extra allowances whatever will be issued to any officers accompanying the detachment who are not necessary for the maintenance of the discipline of the troops so detached.

13. Working pay shall not be issued to officers in charge of parties undergoing instruction.

Instructions of the Secretary of State for War.

public service may require it, soldiers are at all times liable to be employed on working parties as a duty. Under this head are comprised the levelling of ground in and about camp or quarters, the opening up and making communications whenever necessary, and the ordinary construction and keeping in repair of ranges, butts, &c., for rifle practice. The liability to be so employed must necessarily be enforced on service in the field, when manual labour becomes a most important duty, when the bodily exertion of all ranks is required to strengthen positions, and insure the general safety of the Army, and when the use of the spade, pickaxe and barrow is quite as essential as that of the rifle and bayonet. It is therefore to be clearly understood that in the foregoing cases neither officers nor men are to claim any extra duty pay or remuneration for work performed."

Art. 9.—There is no restriction to the number of hours a working party paid at hourly rates may be employed.

Arts. 10, 11, 22 and 23.—It will be the duty of officers and non-commissioned officers in receipt of working pay, to see that the work is properly performed by the military working parties in their charge, in accordance with the instructions of the superintending oficer of the Department concerned, and to keep an accurate account of the work done by each man, with a view to the apportionment of the amount earned among the working party.

Art. 12.—It will be certified by the general or other officer commanding that the number of officers detached was as small as was consistent with the efficient performance of the duty, and all field or other extra allowances proposed for such officers, will be submitted for the special sanction of the Secretary of State for War. Working pay under such circumstances need not be so submitted.

ARMY CIRCULARS—*continued.*

NON-COMMISSIONED OFFICERS AND MEN.

General.

14. The rates of working pay for the non-commissioned officers and men of our Army shall be—

Hourly Rates.

	d.		d.
First rate	2	Fourth rate	0½
Second „	1½	Fifth „	0½
Third „	1		

Daily Rates.

	s.	d.		d.
First rate	1	4	Fourth rate	6
Second „	1	0	Fifth „	4
Third „	0	8		

15. The first rate of 2*d.* an hour or 1*s.* 4*d.* a-day shall be issued to soldiers who are skilled artificers, when employed as such upon the public works.

16. The second rate of 1½*d.* an hour or 1*s.* a-day shall be issued to soldiers who are artificers, but are not skilled workmen; to superior soldier labourers and to soldiers employed upon labourer's work of a special description.

17. The third rate of 1*d.* an hour or 8*d.* a-day shall be issued to soldiers employed as ordinary labourers.

18. The fourth rate of ½*d.* an hour or 6*d.* a-day shall be issued to soldier labourers who are indifferent workmen.

19. The fifth rate, being intended to compensate soldiers for exceptional wear and tear of clothing and boots, shall be issued at daily or hourly rates to soldiers employed upon such duties as may appear to our Secretary of State for War to warrant the grant, but not in addition to any other rate.

20. Regimental artificers who receive rates of regimental pay as such shall not be entitled to working pay when employed on the regimental work of their crafts.

21. Soldiers who receive regimental pay as artificers, and who may be employed on non-regimental work for which working pay is issued, shall not receive a rate higher than the fourth rate of ½*d.* an hour, or 6*d.* a-day.

22. Non-commissioned officers when superintending working parties in the proportion sanctioned by these regulations, shall be paid working pay at the second rate of 1½*d* an hour or 1*s.* a-day, unless qualified as artificers, and superintending artificer's work, in which case they may be paid the first rate of working pay.

23. Working pay shall be issued to such superintending non-commissioned officers only as the general or other officer commanding at the station may, on the requisition of the head of the department requiring the working party, order to be attached thereto, and who shall attend throughout the working hours; but in no case shall the number of non-commissioned officers so attached exceed the proportion of one non-commissioned officer to every twenty men. When the party consists of less than that number, a superintending non-commissioned officer may when necessary be employed.

Instructions of the Secretary of State for War.

Art. 14.—Soldiers in receipt of working pay have no claim to compensation for damage to regimental clothing sustained on the works, but if on account of the special nature of certain work, such as lime burning, well sinking, and tarring, exceptional damage to regimental clothing is anticipated, application may be made by the head of the Department concerned, for the issue of special working dresses for use at the station.

Art. 15.—The first rate is issuable to soldiers who are skilled artificers, when employed reventing guns on board ship.

Arts. 15 and 16.—These articles apply to the artificers (wheelers, carpenters, and smiths) of batteries of Garrison Artillery, who were established by W. O. Cir. 88 of 9th April, 1857, and who are in receipt of the regimental pay of gunners only.

Art. 16—Under the head of labour of a special description are comprised such duties as those performed by attendants on bricklayers or plumbers, men employed on concrete work, or in erecting scaffolding; skilled excavators or miners, and men employed on other work calling for more than ordinary intelligence.

Art. 19.—This rate has been allowed for the following services:—

Whitewashing by soldiers, at intermediate periods, of the barracks occupied by them; limewashing hospitals.

Cleaning hospital grounds.

Digitized by Google

ARMY CIRCULARS—*continued.*

24. The responsibility of placing soldiers on the several rates of working pay, or of reducing them therefrom, shall rest with the local heads of the Departments of our Army under which the working parties are employed; but the issue of the several rates shall depend upon the qualification of each soldier and the class of work (viz., artificers' or labourers') on which he is actually employed, unless otherwise specially authorized by the general or other officer commanding, subject to the approval of our Secretary of State for War.

25. When it shall be found desirable to employ soldiers on piece or task work, the officer in principal charge of the work shall allot such prices or tasks as should enable men using fair diligence to earn the same remuneration as would be paid under time rates for an equal kind and quantity of work. Non-commissioned officers superintending working parties employed on piece or task work will be paid at the daily or hourly rates as may be fixed by the head of the Department concerned.

26. Soldiers whose employment involves daily attendance rather than manual labour may be placed in receipt of the daily rates of working pay at the discretion of the head of the Department. In such cases the day's necessary attendance should average not less than eight hours, and in no case shall working pay for extra attendance be granted to men who are in receipt of the daily rates.

27. When the aggregate distance which a working party may have to march in its journeys to and from the works exceeds three statute miles, working pay may, under the special sanction of the general or other officer commanding on the station, be issued for the time necessarily occupied in marching the distance in excess of three miles.

28. Working parties when employed in water or on works of emergency at night, or on tide work when it entails attendance out of the regular working hours, may, at the discretion of the head of the Department concerned, receive an addition of one-half to the rate of working pay of which they may be in receipt.

29. Soldiers who volunteer for hazardous or dangerous duties, such as emptying stagnant wells or cesspools, shall be paid at such rates, not exceeding twice the first rate of working pay, as may be approved by the head of the Department concerned, who shall certify for the rates charged.

30. Soldiers working as divers shall receive 1*s.* for each hour they are actually and necessarily employed under water, in addition to their regulated working pay, and soldiers attending on the life-line and the air-pipe shall receive 3*d.* for each hour the diver is under water, to be likewise in addition to their regulated working pay.

31. The working pay of a soldier who is negligent or inefficient on the works may be reduced by the local head of the Department concerned, to the rate lower than that of which he may be in receipt at the time: such reduction shall continue for such period as the local head of the Department may think fit.

32. Should a soldier employed on works be guilty of misconduct, or show himself negligent or inefficient, the officer in principal charge of the works may stop the whole or any portion of his working pay on the days on which he is guilty of such misconduct, provided the offence be committed while on the duty for which he is in receipt of working pay.

33. Working pay shall not be issued to soldiers employed as clerks, telegraph clerks receiving and transmitting messages, signalmen or draftsmen.

Instructions of the Secretary of State for War.

Art. 24.—Staff serjeants who are not regimental artificers, when employed on working parties are to be considered exempt from manual labour, except such as is necessary in conjunction with their duties as superintendents. All other non-commissioned officers and men are liable to be required to work at their crafts.

A soldier rated as an artificer will receive artificer's working pay so long as he is employed at his craft, but is not entitled to artificer's working pay if employed on labourer's work.

Art. 25.—In dividing the amount earned at piece or task work by a military working party among the men composing it, the sum to be received by each man will be in proportion to the remuneration he would have received at time rates for the same kind of work; but the superintending non-commissioned officer will receive no portion of the amount paid to the party for the work performed.

Art. 27.—The arrangements for the meals of working parties should be such as to prevent unnecessary loss of time in marching, and when the distance of the works from the quarters of the party exceeds one mile, arrangements should be made for sending the meals on to the works.

Art. 29.—Soldiers should not be called upon to volunteer for such duties, if the general or other officer commanding considers that the work should be performed by civil labour.

Digitized by Google

ARMY CIRCULARS—*continued.*

34. Working pay shall not be liable to stoppage or deduction on account of regimental debts.

Additional Articles Special to the Royal Artillery.

35. Artillerymen shall not be entitled to working pay when on active service in the field (except as provided in Article 3), nor when performing the ordinary duties of artillery soldiers.

36. Soldiers (except drivers) of the Horse Brigades and Riding Establishment, being in receipt of higher regimental pay than soldiers of corresponding ranks in the Field and Garrison Brigades, and who may be entitled to receive working pay, shall be rated for the same one rate lower in each case than is prescribed for other artillery soldiers in Articles 14 to 22.

37. Working pay shall be issued to artillery soldiers when employed on works or services not connected with their duties as artillerymen, for which soldiers of the Line would receive working pay, and also for the following duties:—

(1.) Removing guns or heavy warlike stores, when the distance they are moved is upwards of one statute mile, and provided the removal of such stores is not along a line of road by means of horses and drivers.
(2.) Scraping or painting ordnance, shot or shell, carriages, platforms, or miscellaneous stores, whether in store or in use.
(3.) Making up ammunition which is not required for Royal Artillery armaments, or for salutes.
(4.) Examining guns in store.
(5.) Loading or unloading guns or heavy warlike stores (which are not in Artillery charge) from ships.

38. When under the foregoing Article working pay is issued for scraping or painting ordnance, shot or shell, carriages, platforms, or miscellaneous stores, it shall be issued to the working party at such piece-work rates as may be from time to time approved by our Secretary of State for War, and to the superintending non-commissioned officer at daily or hourly rates, under Article 22.

Additional Articles Special to the Royal Engineers.

39. Non-commissioned officers and sappers of the Royal Engineers, rated as superior or very superior mechanics or artificers, and actually employed at their crafts, and non-commissioned officers and Sappers rated as superior or very superior divers, limeburners, or quarrymen, or holding certificates from the School of Military Engineering as possessing superior attainments as photographers, printers, lithographers, telegraphists or submarine miners, and actually employed as such, may receive working pay at the following special rates:

Rate A, for soldiers rated as very superior	... 3*d.* per hour, 2*s.* per day.
Rate B, for soldiers rated as superior ...	... 2½*d.* per hour, 1*s.* 8*d.* per day.

Instructions of the Secretary of State for War.

Art. 34.—The amount of working pay earned by soldiers will not be entered in their ledger accounts.

Arts. 35 *and* 37.—The following are among the ordinary duties of Artillery soldiers for which working pay is not issuable:—

1. Mounting, dismounting or shifting, or any other work relating to guns or stores appurtenant to Artillery armaments, whether mounted or intended to be mounted.
2. Removing guns or stores appurtenant to Artillery armaments when the distance they are moved is not more than one statute mile, or when the removal of such stores is along a line of road by means of horses and drivers.
3. Examining and keeping in order guns and artillery stores distributed in forts and batteries for the defence of the same.
4. Making up ammunition for artillery armaments, or for salutes.
5. Gauging, piling, or removing shot, shell or ammunition for the use of the garrison.

Art. 36.—The Horse Artillery and Riding Establishment are not called upon to furnish working parties unless the exigencies of the service require it.

Art. 38.—The piece-work rates at present in force are fixed by clause 81, Army Circulars, 1868.

Art. 39.—A register of the several rates of working pay at which soldiers of Royal Engineers are rated will be kept in their pocket-ledgers, and the officers in charge of companies and detachments, will be held personally responsible that every change in the rating for working pay, with the date thereof, is correctly entered. Changes of work-

Digitized by Google

ARMY CIRCULARS—*continued.*

40. When soldiers of the Royal Engineers are proposed for the special rates of working pay specified in Article 39, their qualifications shall be investigated by a board appointed for the purpose by the Commanding Royal Engineer.

41. Non-commissioned officers or sappers who are duly qualified and actually and necessarily employed in superintending works, or in situations of special responsibility in connection with works, may receive the first rate or, temporarily, and upon the authority of the Commanding Royal Engineer, the special rates of working pay specified in Article 39, without appearing before a board as required in Article 40.

42. Soldiers rated as miners who acquire a practical knowledge of an artificer's craft, or are possessed of superior qualifications as quarrymen or divers, may, if found qualified by a board appointed for the purpose by the Commanding Royal Engineer, be rated as artificers, and receive working pay as such.

43. Non-commissioned officers and sappers employed on the Ordnance Survey, or on other special surveys authorized by our Secretary of State for War, may receive working pay at the rates already laid down in these regulations, or at such other special rates not exceeding—

	s.	d.		s.	d.
1st Class	3	6	to	4	0
2nd „	3	0	to	3	6
3rd „	2	6	to	3	0
4th „	1	0	to	2	6

as may be awarded by our Secretary of State for War on the recommendation of the director of the Ordnance Survey.

44. Non-commissioned officers and sappers employed on instructional field-works, or under instruction in the special schools of the School of Military Engineering, may receive working pay at one rate lower than that at which they are rated for employment on the public works, provided that no man shall, while under instruction, receive any rate higher than the second, without the previous sanction of our Secretary of State for War.

Instructions of the Secretary of State for War.

ing pay due to temporary employments or instructional rates will not be noted in the pocket-ledgers.

As the special rates of working pay are intended as remuneration for skilled labour, or qualifications of a superior order, the greatest care is to be taken that no man is placed on these rates without a strict investigation into his qualifications. The terms "mechanics or artificers" include bricklayers, carpenters, engine-drivers, gas-fitters, masons, paper-hangers, plasterers, plumbers, slaters, smiths, fitters, and wheelwrights.

Art. 40.—The Board will, as a general rule, cause artificers proposed for these rates of working pay, to execute superior work in the presence of one or more of the members, and this work should be described in the proceedings. Full evidence of the capabilities and industry of each individual should be taken and recorded in the proceedings of the Board, which, together with the decision of the Commanding Royal Engineer thereon, will be transmitted for the information of the Secretary of State for War.

Soldiers seeking to be rated on special working pay for qualifications as photographers or telegraphists, should be required to produce certificates of superior qualification in the form prescribed for use at the School of Engineering.

The Commanding Royal Engineer is authorized to restore to the special rates any man who has been temporarily disrated therefrom (see Arts. 24 and 31), without the assembly of a second board, but he should report the fact for the information of the Secretary of State, giving reasons for the restoration. Non-commissioned officers and men, employed as miners or labourers, are not eligible for the special rates of working pay.

Art. 41.—A quarterly return of all non-commissioned officers in receipt of special working pay, under this Article, is to be transmitted to the Secretary of State with the quarterly returns of Engineer Staff.

Art. 43.—The Director of the Ordnance Survey will, in fixing the rate of working pay of each individual, have regard to the nature and value of the survey duties performed by him, and will report quarterly the names of all soldiers raised during the quarter to a higher class of working pay than they were in receipt of during the previous period.

Art. 44.—Serjeant assistant instructors in field works at the School of Military Engineering receive the 2nd rate of working pay for five days in the week, in consideration of the receipt by them of extra-duty pay, at 1*s.* 6*d.* a-day for seven days in the week (under the Royal Pay Warrant).

Digitized by Google

ARMY CIRCULARS—*continued*.

45. Recruits employed on instructional field works shall receive the 5th rate of working pay. Men who show zeal and attention on the works may be advanced to the 4th or 3rd rate. A proportion, not exceeding one-tenth, of the recruits employed on instructional field works, who may exhibit more than ordinary intelligence, zeal, and diligence, may receive the second rate.

46. Non-commissioned officers or sappers, whose employment as temporary instructors of field works at out-stations may be authorized by competent authority, shall receive the rates of working pay for which they may be rated when employed on works.

47. Buglers and supernumerary boys learning crafts and assisting in the public works, may receive the fifth or fourth rate of working pay when the Commanding Royal Engineer considers that their diligence and usefulness warrant the issue of working pay.

48. In reference to Article 9, the working hours in the Royal Engineer Department at each station shall ordinarily correspond with those of the building trades in the locality.

49. Non-commissioned officers and men of other corps than the Royal Engineers, who have proved themselves to be good artificers, and who may be employed by the Royal Engineer Department from time to time as their services are required, shall, while so employed, be eligible to receive the rates of working pay granted by these regulations to the Royal Engineers.

Corps of Armourer Serjeants.

50. Working pay shall be issued at the following daily rates to the staff serjeant of the Corps of Armourer Serjeants and to armourer serjeants while employed at the depôt of the corps, for such days as they shall be actually at work:—

	Daily.	
	s.	*d.*
Staff Serjeant	3	10½
Armourer Serjeant	1	10½

Given at our court at Balmoral, this 4th day of June, 1870, in the thirty-third year of our reign.

By Her Majesty's command,

EDWARD CARDWELL.

Cl. 90.—Royal Warrant Revising the Rates of Good Conduct Pay and Abolishing Additional Pay, together with the Secretary of State's Instructions.

(Warrant issued as a Special Army Circular, 6th June, 1870.)

VICTORIA R.

WHEREAS we deem it expedient to shorten the periods heretofore necessary to entitle the soldiers of our Army to the various rates of good conduct pay, and to abolish the additional pay of one penny a-day now granted to men after the completion of their first term of limited service.

Our will and pleasure is that Article 779 of our Royal Warrant of 3rd February, 1866, be and it is hereby cancelled, and that the following article be substituted in lieu thereof:—

779. Every soldier under the rank of corporal in our Life Guards and Horse Guards, or serjeant in the other branches of our Army, and every artificer below the rank of staff serjeant (except the soldiers of our Ceylon Rifles, Royal Malta Fencible Artillery, and Gun Lascars, provided for in Arts. 797 and 798), shall receive additional pay and good conduct badges at the following rates:—

After having served 2 years, provided his name shall not have been entered in the Regimental Defaulter's Book for two years immediately preceding his claim ...	1*d.* a-day, with one good conduct badge.
After having served 6 years, and having been uninterruptedly in the receipt of 1*d.* a-day for two years immediately preceding his claim	2*d.* a-day, with two good conduct badges.
After having served 12 years, and having been uninterruptedly in the receipt of 2*d.* a-day for two years immediately preceding his claim	3*d.* a-day, with three good conduct badges.

Instructions of the Secretary of State for War.

Art. 47.—The working hours in the Royal Engineer Department should, when possible, average nine hours throughout the year, exclusive of Sundays and drill days. The average must not be less than eight hours (see Article 9).

ARMY CIRCULARS—*continued.*

After having served 18 years, and having been uninterruptedly in the receipt of 3*d.* a-day for two years immediately preceding his claim	4*d.* a-day, with four good conduct badges.
After having served 23 years, and having been uninterruptedly in the receipt of 4*d.* a-day for two years immediately preceding his claim	5*d.* a-day, with five good conduct badges.
After having served 28 years, and having been uninterruptedly in the receipt of 5*d.* a-day for two years immediately preceding his claim	6*d.* a-day, with six good conduct badges.

Our will and pleasure is further that the additional pay of 1*d.* a-day granted by our Royal Warrant of 29th June, 1867, shall not be issued to any man who shall re-engage more than three months after the date of receipt of this present Warrant in the district or command in which he shall be serving.

Given at our court at Balmoral, this 2nd day of June, 1870, in the thirty-third year of our reign. By her Majesty's command,

EDWARD CARDWELL.

Secretary of State's Instructions.

1. The foregoing Royal Warrant governs all issues of good conduct pay from the 2nd June inclusive.

2. Men not already in receipt of good conduct pay, who had been clear from the Regimental Defaulters' Book for at least two years immediately preceding the 2nd June, became entitled to their first penny on that date.

3. The re-assessment of men already in receipt of good conduct pay will take effect from the 2nd June only, notwithstanding that they may have been qualified as regards service on an earlier date.

4. The re-engagement penny will be continued to all men now serving, and will likewise be issued to those who engage within three months of the first receipt of the Royal Warrant within the district or command in which they may be serving; these men will also be entitled to the advantages of the reduced periods required for good conduct pay.

Cl. 91.—Stoppage for Lost Medals.

With reference to Art. 584, Royal Warrant, 3rd February, 1866, it is notified that the extra stoppage to replace Abyssinian or New Zealand Medals wilfully made away with or lost through carelessness or neglect, is as follows:—

	s.	*d.*
Abyssinian Medal	8	6
New Zealand Medal	9	0

Cl. 92.—Navy Good Conduct Badges.

1. It is hereby notified that, in future, men entering the Army with previous service in the Navy, and in possession of good conduct badges, may, provided the interval between discharge from the Navy and enlistment into the Army does not exceed 12 months, be permitted to wear the badges and to receive the rates of good conduct pay attaching thereto. They will also be allowed to reckon their service in the Navy towards the acquirement of subsequent badges and good conduct pay.

2. The latter indulgence will not, however, apply to men who were not in possession of good conduct badges before their discharge from the Navy.

Cl. 93.—Departmental Pay—Army Service Corps.

The departmental pay of the men of the Army Service Corps will under all circumstances be chargeable to control votes, irrespective of the department for which they may be employed.

Cl. 94.—Passage Warrant Forms.

The Passage Warrant Form (W. O. Book 74) has been revised since the issue of the list of fares with Army Circular of 1st May, 1870. The form printed in the list of fares (page 5), will accordingly be considered obsolete.

Cl. 95.—Establishments of Regiments.

1. In future the establishments of regiments will be notified to all concerned in Army Circulars. The establishment letters heretofore issued will be discontinued.

2. The following errata in the establishment letters for 1870-71, are notified for general information.

Digitized by Google

ARMY CIRCULARS—*continued.*

For "lieutenants on cornet's pay of the Household Cavalry and Cavalry of the Line," *read* "cornets."

For "lieutenant on ensign's pay of the Foot Guards, Infantry of the Line, West India Regiment, and Ceylon Rifle Regiment," *read* "ensigns."

CONTROL DEPARTMENT.

Cl. 96.—Regulations for Controllers.

Regulations defining the duties of Controllers have been approved by the Secretary of State for War, and will be issued for the information and guidance of all concerned as soon as possible.

Cl. 97.—Paper Cylinders and Sockets of Ammunition for Breech-Loading Armstrong Guns.

1. Commanding Officers of the Royal Artillery, and control officers at home and abroad, who have in charge any made-up gun ammunition of more than 12 months date, of the following varieties,—

Armstrong B. L.* { 20-pr. 2½ lbs. / 40-pr. 5 lbs. / 7-inch 10 lbs., † 11 lbs. † }

will take immediate steps to ascertain whether the paper cylinders and sockets are in a sound and serviceable condition.

2. For this purpose they will open all the cartridges in one case or barrel for every ten on charge, and one cartridge in each of the remaining nine cases, also a corresponding proportion of cartridges in the limbers of the batteries of position, and carefully observe and record the state in which they find the cylinders and sockets, giving the results in the following form:

Name of Magazine.	Character and Reputation, as Damp or otherwise.	Nature of Ammunition.	No. of Cases or Barrels opened.	Nature of Case or Barrel.	If securely luted or not.	Condition of Cylinders and Sockets.			Condition of Powder and Serge Bags.			Remarks.
						Fully Serviceable.	Slightly affected by Damp.	Unserviceable.	Fully Serviceable.	Slightly affected by Damp.	Unserviceable.	

3. In the second column the officer will endeavour to furnish full information with regard to the dampness or dryness of the magazine, whether, if damp, it is so at all seasons, or only occasionally; and he will give all the particulars which he may be able to collect as to its temperature at different seasons.

* The 64-pr. 8lbs. cartridge is not affected, since the paper cylinders have been or will be removed, the charge having been increased to 9 lbs. See §. 1827, list of changes.

† These charges are alone recognised for the 7-in. breech-loading guns of 72 and 82 cwt. respectively; any charges exceeding 10 or 11 lbs. should be reduced.

ARMY CIRCULARS—*continued.*

4. If the difference of the temperature between the interior of the magazine and the air outside can be accurately observed at the time of examination it will be stated.

5. Control officers will call on the commanding officer, Royal Artillery, to detail an officer to conduct the examination of the cartridges in their charge.

6. Should any cartridges or cylinders be found in an unserviceable condition, every endeavour will be made to trace their history and account for the facts.

7. At all stations where there are inspectors or assistant inspectors of warlike stores, and where means for doing the work exist, the paper cylinders in store, and in charge of the Royal Artillery, which are serviceable, will be dried and varnished, in order to overcome their susceptibility to damp, in accordance with the accompanying instructions; and demands will be made by the local Control Officer on the Controller, Royal Arsenal, Woolwich, for the necessary materials. Any cylinders in excess of the regulated proportions will be returned to Woolwich as opportunities may occur. All future issues will be made of varnished cylinders.

8. The paper sockets for breech-loading rifled gun cartridges hitherto in use will be superseded in all future supplies by wood sockets, soaked in oil.

9. All sockets and cylinders in made-up cartridges which are found to be affected by damp, will be at once replaced by wood sockets and varnished cylinders, to be supplied by the local Controller, or, through him, from the Royal Arsenal, Woolwich. This exchange need not be affected when the cartridges are in excess of the requirements of the station, and when therefore they need not be re-made.

10. Officers of the Control Department will take immediate steps to obtain from the Controller, Royal Arsenal, Woolwich, the requisite supply of wood sockets in exchange for the paper sockets, and at stations where the cylinders cannot be varnished, steps will be taken to obtain from the Controller, Royal Arsenal, Woolwich, a supply of varnished cylinders.

11. All cartridges which are re-made with wood sockets and varnished cylinders will be at once packed in air-tight cases or air-tight barrels, except such cartridges as belong to batteries of position, which cannot be so treated.

12. Particular attention will be paid to the condition of the luting on the metal-lined and other air-tight cases or air-tight barrels, which is invariably to be kept sound and in good condition (see "Regulations for Custody and Inspection of Warlike Stores, &c.," Circular 498, 7th November, 1859, No. 3, §. 8, where officers commanding are directed to report that "due attention has been taken to keep the stores from injury, damp, &c.," a direction which is not fulfilled when the condition of the luting is neglected in the way it has been neglected at some stations).

13. The instructions contained in W. O. Circular 590, §. 39, and W. O. Circular 793, §. 634, relative to the employment of barrels *only* "at stations where the magazines are so free from damp as to render the increased protection afforded by the metal-lined cases unnecessary," will be strictly attended to, whatever may be the contents of those barrels.

14. Care will be taken to ensure by thorough periodical inspections:—

1st. That the made-up cartridges, cylinders and sockets remain serviceable.

2nd. That any which may from time to time become deteriorated or unserviceable, are at once replaced by wood sockets and varnished cylinders, and packed in air-tight cases or air-tight barrels, except (as stated in §. 11) the cartridges of batteries of position, to which, on this account, special attention must be directed.

3rd. That serviceable cartridges which contain paper sockets and unvarnished cylinders are expended at practice before those which are re-made.

15 The paper sockets in store and returned to Woolwich will be transferred to "unserviceable" and so disposed of.

Instructions for varnishing Paper Cylinders used in Cannon Cartridges

16. The cylinder should be placed in a warm and dry room, or stove, or closet (temperature not to exceed 80°), until thoroughly dry, and then varnished with two coats of the undermentioned composition, using an ordinary paint brush for the purpose, viz.:—

Shellac ... ... lbs. 4 } To be placed in a can, or bottle, and frequently
Spirit, methylated ... gall. 1 } stirred and shaken until the shellac is dissolved.

17. After the first coat has become dry (which will be in about 1 hour) the second coat is to be applied, and allowed to remain until thoroughly dry.

18. The coatings should be thinly and evenly laid on, and worked into the folds as much as possible.

Cl. 98.—Reduced Proportions for Field Ordnance.

1. In consequence of the reduction in the establishment of carriages and wagons in batteries of Horse and Field Artillery on *Home Service*, the undermentioned proportions

Cl. 99.—Shipment of Powder and Ammunition.

When powder and ammunition are shipped from foreign stations, the shipowners or agents of the vessel are to include in their contract the cost of the erection of magazines, which are invariably to be constructed by them according to specifications to be furnished by, and subject to the supervision of, the officers of the Control Department.

Cl. 100.—Transfers of Stores.

1. At a transfer of stores from one control officer to another, the relieving officer will be careful to see that the inventories of stores in possession of the troops are signed by the proper officer *at the date of the transfer*, and he will be held strictly responsible for any discrepancy if he assumes charge upon an inventory either of an old date or with interpolations in it.

2. The officer who is about to be relieved will see that accurate inventories are prepared in triplicate to a date immediately preceding the transfer. One copy will be annexed to the transfer account, and a copy will be kept by the retiring and by the relieving officer.

3. The return of articles of bedding, &c., in possession of the washing contractor, will be prepared in a similar manner.

Cl. 101.—Form of Survey Report.

1. A new form of survey report (W. O. Form 1227) has been sanctioned, and will in future be used instead of the old forms 1226 and 1227.

Digitized by Google

ARMY CIRCULARS—*continued.*

2. The survey reports will be sent in duplicate to the controller, Royal Arsenal, Woolwich.

3. When the columns of the report do not allow sufficient space for explanation, memoranda containing the fullest possible information relating to the particular stores will be annexed, in order to enable the Secretary of State to decide whether the survey recommendations shall be adopted.

4. As regards articles that are to be sold on the spot, the price which can be realized for the component parts, such as metal, rope and other materials, will be stated on the face of the survey report.

Cl. 102.—Vocabulary of Stores.

1. A revised edition of the vocabulary of Woolwich and Tower stores has been prepared by order of the Secretary of State for War, and is in course of issue.

2. The nomenclature and prices of stores of the new edition will cancel all others contained in previous editions, and in Army and other Circulars. In all lists of stores the arrangement in the vocabulary is to be strictly adhered to, unless in any exceptional circumstances.

3. In the event of any article of store not being found included in the new edition, the names and prices previously in force will be adhered to, until a reference can be made to the Controller, Royal Arsenal, Woolwich.

4. Stores of a special nature not included in the Vocabulary, or forming part of an article which is only described therein in its complete state, will be separately demanded, care being taken that full and detailed information as to the actual articles required is given.

5. All copies will be kept currently revised as regards prices, nomenclature, or other particulars, in accordance with the changes and amendments, notified from time to time.

6. In the event of any information being required, or any doubts appearing to need clearing up, reference will be made to the controller, Royal Arsenal.

Cl. 103.—Stores supplied by the Admiralty.

1. Controllers and other officers of the War Department will be guided by the following rules respecting work performed and stores supplied by the Admiralty for service of the War Department.

2. As a general rule no services chargeable to army funds will be performed, or stores supplied, by the Admiralty, except on the requisition of the controller or other officer of the War Department duly authorized to make such requisitions.

3. On the completion of the service, or on the receipt of stores from the Admiralty, the commissary or other officer of the War Department responsible for the charge of the stores, will be authorized by the Controller to give a receipt on the Admiralty voucher, and will certify thereon, either that the work has been satisfactorily performed or that the stores have been duly brought on charge according to their actual condition. He will also quote the authority for the service, and will specify the vote and item to which the cost is chargeable.

4. War Office Circular No. 80, 27th March, 1857, is hereby cancelled.

Cl. 104.—Examination, Marking, and Storing of Gunpowder.

1. The Secretary of State for War directs that the following instructions respecting the storing, examination, classification, issue, and use of gunpowder, be observed by officers of the Control Department, inspectors of warlike stores, and all other officers.

Examination and Classification.

2. The examination of gunpowder in store will be conducted by inspectors of warlike stores and other proof officers, in the following manner :—

3. About one-fifth part of the whole quantity in store will be tested annually; of this fifth, one in every twenty barrels, selected indiscriminately, will be examined. In the second year the same course will be pursued with reference to another fifth of the store, and so on until the whole shall have been examined, when the process will be repeated.

4. The barrels actually examined will in each case be marked, and other barrels will be selected when the same lot again comes under examination.

5. The examination of powder will be confined to an inspection by sight and hand, for the purpose of testing its qualities in the following points :—

1st. As respects the condition of the grain, which should be firm, crisp and bright in colour,

2nd. As regards freedom from dust and foreign matters.

Digitized by Google

ARMY CIRCULARS—*continued.*

This latter point will be ascertained by pouring the powder from a bowl held two or three feet above the barrel.

6. The firing proof, by means of the Eprouvette Mortar, will cease.

7. If the examination be in all respects satisfactory, and there be no sign of deterioration, the powder may be placed in Class 1.

8. Any portion of *service* powder found on inspection to be unmistakeably dusty or broken in the grain may at once be reduced to an inferior class.

9. Exceptions to this rule will, however, be made in the case of R. F. G. and R. L. G. powders, which if only dusty will be redusted and restored to the 1st class.

10. In cases that admit of doubt, the report of examination will be transmitted through the local Controller, to the Superintendent, Royal Gunpowder Factory, before the powder is reduced from the service class; but if urgently required for service it may be issued.

11. As soon as convenient after the examination of the powder, the Proof Officer will report the result (on W. O. Form No. 1218 or 1231), through the local Controller, to the Superintendent, Royal Gunpowder Factory, Waltham Abbey. Form 1218 applies to periodical or occasional examinations of powder in store. Form 1231 applies to the examination of returned powders, provisionally placed in Class IV. as doubtful.

12 *Service* powders include all descriptions used for firing projectiles, whether from cannon or small-arms. *Serviceable* powders include service, blank and shell powders.

13. After examination, gunpowder will be classified and marked according to the following Table; and if repaired, the barrels will be specially distinguished (*see* p. 367), in order to ensure their being issued before gunpowder in a less deteriorated condition. Re-examination will be noted in like manner with date.

Class.	Designation.	Description.
I.	Service ...	1. All new powder. 2. All returned powder (except started powder) which on examination may be found uninjured. In exceptional instances, such as when powder is started from cartridges recently made up and never issued from store, this powder, if found in all respects uninjured, may be placed in Class I.
II.	Blank	1. Powder from broken-up cartridges, cannon or small arm, unless specially placed in Class I.* 2. Service powder found dusty or broken in the grain at periodical inspections, or on return; except in the cases of R. L. G. and R. F. G. powders, which, if only dusty, will be redusted for service.
III.	Shell	1. Powder found too dusty for Class II. 2. Powder emptied from shells.
IV.	Doubtful ...	All powder whatever (except new powder) returned into store, and awaiting examination.
V.	Condemned for sale.	Powder found on examination to be too much deteriorated to be placed in any of the above classes
VI.	Condemned for extraction.	Powder found to have been so much damaged as to be unfit for any purpose but extraction of saltpetre.

14. Powders found on examination to be repairable will at once be marked with the class to which they are capable of being converted; but will be crossed in white chalk, in order to indicate that they are only equivalent to a *doubtful powder* in an issuing point of view.

15. At home stations all powder returned into store will, in the first instance, be placed in Class IV., and marked as laid down in paragraph 14, previous to inspection; it will be removed to one of the other five classes on the result of the inspection being determined. At stations where the conveniences for local examination may exist, a requisition will be made by the Controller to have this inspection made without delay.

* Powder obtained by breaking up breech-loading small-arm ammunition should be at once thoroughly wetted, as it may contain small particles of detonating composition. In this state it is useless except for extraction of saltpetre, and will therefore be placed in Class VI.

Digitized by Google

ARMY CIRCULARS—*continued.*

If circumstances should render such a course impracticable, the gunpowder will be retained as "*doubtful*," and a report of the circumstances made to the Controller, Royal Arsenal, Woolwich, will convey the orders of the Controller in Chief in the matter.

16. At foreign stations the examination of powder will be conducted by the proof officer, on the requisition of the Control officer. The examination will be made as soon as possible after delivery into store, in order to enable the commissary to assume charge of the powder in accordance with its existing state and condition.

17. At stations where no Artillery are located, the commissary will personally examine all powder contained in the original packages as soon as received into store. If no sign of deterioration present itself, he may assume charge of the powder under its original classification, and may re-issue it accordingly; but should there be any reason for doubt, the powder will be taken in charge and marked as under Class IV., and the circumstances reported to the Controller, Royal Arsenal, Woolwich, who will communicate the order of the Controller in Chief.

18. Powder from broken-up cartridges, and powder emptied from shells, will in all cases be sifted *before* being returned into store, so that all extraneous articles may be detected. Barrels of powder "emptied from shells" should be distinguished as such.

19. The sizes of sieves used in sifting powder before returning it into store, will be as follows:—

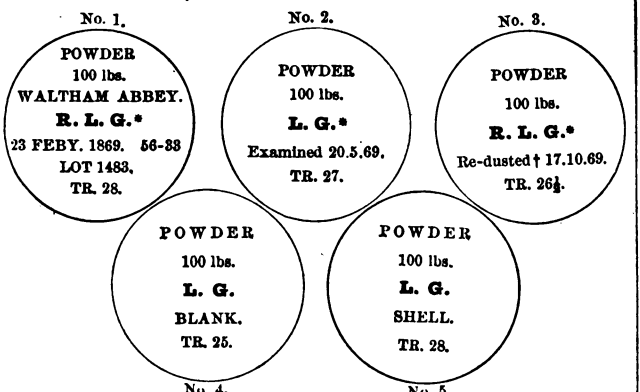
For R. L. G. powder, a sieve of	3	meshes	to the	inch,
L. G.	„	„	6	„	„
R. F. G.	„	„	8	„	„
F. G.	„	„	12	„	„
Pistol	„	„	16	„	„

Storing, Uses and Issue of Powder.

20. On receiving powder, commissaries will look to the distinguishing marks, showing the description of powder, maker's name, and dates of stoving; and will arrange the barrels in the magazine accordingly, carefully keeping the powder of each date of stoving together as far as practicable.

21. In issuing service powder, care should be taken to issue, as far as possible, the powder of the same maker, and of the same date of stoving.

22. The annexed examples will show the manner in which the heads of barrels will be marked in future.



* These letters will be in red paint.
† Or "Repaired," as the case may be.

Digitized by Google

ARMY CIRCULARS—*continued.*

23. No. 1 applies to new powder.
No. 2 applies to returned powder, which, after examination, has been classed for service.
No. 3 applies to returned powder, which, after examination, has been re-dusted or otherwise repaired for service.
No. 4 applies to blank or exercise powder.
No. 5 applies to shell powder.
The 5th line in No. 1 contains:—
1. The date of stoving, 23rd February, 1869.
2. The number of barrels stoved (56).
3. The number of the barrel itself in its stoving (33).

24. Gunpowder is divided into lots for convenience of storing; each of the 100 barrels composing a lot is marked with the same number, and the numbers of the lots run consecutively for each manufacturer, as powder is supplied.

25. The following list shows the purposes for which powders of the several descriptions are to be used; and demands and issues will be regulated in accordance therewith.
Service Pellet. For all charges of 50 lbs. and upwards, including battering charges for 10-inch rifled guns, and all charges of guns of higher calibre.
Service R. L. G. For full charges of 10-inch rifled guns and for all charges of rifled guns of lower calibre, except the 7-pr.; also for all charges for wrought-iron S. B. guns.
Service L. G. For bronze and cast-iron S. B. ordnance.
Service R. F. G. For rifled small-arms of every description except pistols.
Service F. G. For 7-pr. M. L. R. guns, and for all smooth-bore small arms.
*Service Pistol.** For Colt's, and Dean and Adam's cartridges, and for bursting charges of all shrapnel shells.
Blank, or Exercise R. L. G. and L. G. For blank charges of all descriptions of rifled and smooth-bored ordnance.
Blank, or Exercise R. F. G. and F. G. For blank small-armed cartridges of every description. These powders may, if considered advisable, be used for blank charges for ordnance when there is a surplus store.
Shell Powder. L. G. for the bursting charges of all shells, rifle, or smooth-bore, except shrapnel. F. G. powder is to be used for 6, 9, 12, and 20-pounder segment shells. F. G. or L. G. in Class II. may be taken if no F. G. or L. G. in Class III. be available, and service F. G. or L. G. if no blank F. G. or L. G. be available.

26. *Service* powder will never be issued for *blank* or *exercise* cartridges, when any powder classed under the latter head is available. This rule is intended to apply strictly to the non-issue of Service R. L. G. and R. F. G. powders for blank charges. Exercise powder will not be issued for filling shells, when shell powder is available.

27. Occasional opportunities are to be taken at all stations, especially where the magazines are liable to damp, for shifting powder from one bay to another, and opening and re-coopering a few barrels, in order to ascertain if the powder is free from lumps, and to keep the barrels in a serviceable and good state. If in performing this work the powder should be found in any way *lumpy* or set, it will be shifted from one barrel to another, the lumps being broken down with the hand as the powder is passed from the barrel to which it belongs to the new one.

28. The practice of rolling about barrels must not be resorted to, as it breaks the grains of powder into dust.

29. Whenever it may be necessary to shift gunpowder from one barrel to another the barrel intended to receive such powder will first have all the marks on it carefully obliterated, and will then be re-marked with precisely the same marks as the barrel from whence the powder is transferred, with the exception of the tare marks.

30. Nails should on no account be used to fasten on the hoops in re-heading powder barrels.

31. Barrels should not be placed against the walls of magazines, as the powder is more liable to injury from damp in such situations.

32. The proof officer will be careful to note at his issuing and receiving examinations, the numbers of the lots, as also the marks and dates that have been placed on the various barrels of powder submitted for his inspection, before being issued to, or on being received from, Her Majesty's Land or Naval Forces. All these particulars will be entered in the report made to the commissary, in order that they may be available for future reference in case of necessity.

* This powder has hitherto been called "Shell F. G."

ARMY CIRCULARS—*continued.*

Register of the Store of Gunpowder.

33. W. O. Form No. 1234 annexed, will supersede that of the same number. It is intended to show the quantity of each description of powder stored in all the magazines at home and abroad; the condition and capacity of the magazine, and whether in charge of a commissary, or of the commanding officer Royal Artillery. This return will be compiled very carefully and transmitted half-yearly to the Controller, Royal Arsenal, Woolwich, for the information of the Controller-in-Chief.

Report of Examination of Gunpowder.

34. W. O. Form D annexed. will replace W. O. Form 1218. It will be filled in by the proof officer after the completion of the annual examination of the powder in the district. W. O. Form E will in like manner be filled in after the examination of doubtful powder. These returns will then be forwarded immediately, through the local Controller, to the superintendent, Royal Gunpowder Factory, Waltham Abbey.

35. Expenditure returns of powder will be made up half-yearly according to the Forms annexed. Form F is applicable to land service, and Form G to sea service. The returns will be forwarded through the proper channels for transmission to the Controller, Royal Arsenal, Woolwich; in order to enable him to compile a general statement for the information of the Secretary of State for War.

36. War Office Circulars 512, 541, 674, 892, 920, are hereby cancelled.

Cl. 105.—Issues of Fuel and Light.

Clause 70, Army Circulars, 1870, will not come into operation until 1st September next.

Cl. 106.—Abolition of Payment for Fuel saved.

1. Payment to the troops for fuel saved by them in cooking, and in warming their barrack rooms, will be discontinued from 1st July at home stations, and at foreign stations from the date of receipt of this authority.

Cl. 107.—Construction and Occupation Returns.

(Issued as a Special Army Circular, on 23rd June, 1870.)

1. It is hereby notified, with reference to paragraph 36, Clause 79, Army Circulars, 1870, that the Construction and Occupation Returns for the period ending 30th June, 1870, will be prepared and transmitted by Commanding Royal Engineers, in accordance with Clause 149, Army Circulars, 1869.

2. The returns will be compiled as early as possible, in order that there may be no delay in the settlement of claims for lodging allowance.

3. The monthly Occupation Returns (on W. O. Form 1343 and 1344) for the present month will be sent by officers commanding and heads of departments to commanding Royal Engineers.

Cl. 108.—Replacement of Appurtenances, and Renewal of the Cloth of Billiard and Bagatelle Tables.

With reference to the directions contained in Clause 6, Army Circulars, 1867, and Clause 74, Army Circulars, 1868, for the maintenance of bagatelle and billiard tables at the expense of the troops using them, the following instructions are published for the guidance of Controllers, and others concerned, regarding the assessment of charges for damage and deterioration of the cloth of these tables, and for the replacement of deficient or damaged appurtenances.

1. At the inspection made on the relief or removal of the corps the condition of the cloth of the bagatelle or billiard table in use will be carefully noted.

2. An amount sufficient to cover the expense of repairing damage, or for the deterioration of the cloth by fair wear, will then be assessed against the outgoing corps. These assessments will not exceed the full value of the cloth, and the cost of fixing it.

3. The amount assessed will be accounted for by the Control paymaster; the sums received being placed to the credit of exchequer extra receipts. A record of the sums paid by the troops will be kept by the Control Department, in order that when a new cloth is required it may be clearly established that the amount needed for the supply has been duly recovered.

4. When it becomes necessary to supply a new cloth the expense will be admitted as a charge against the public, on the special application of the Controller to the Secretary

ARMY CIRCULARS—*continued.*

of State for War; supported by a certified return, showing that the sum recovered from the troops fully covers the cost of the new cloth.

5. The directions contained in Clause 6, Army Circulars, 1867, for the maintenance of bagatelle tables at the expense of the troops, apply also to appurtenances of the tables.

6. The duty of replacing deficient or damaged appurtenances of billiard tables will rest wholly with the officers concerned; and will be carried out under the direction and responsibility of the officer commanding the regiment or corps. The articles will, whenever practicable, be obtained from the firm which made the original supply; and the equipment must be completed to the entire satisfaction of the Controller.

7. In order that the repairs or renewal may be completed in time for the articles to be handed over to the Control Department in good condition, on the departure of the corps from a station, a preliminary inspection should be made under the directions of the officer commanding.

8. On the removal or relief of the corps, an officer of the Control Department will carry out the inspection directed by paragraph 4, Clause 74, Army Circulars, 1868. The billiard table and its appurtenances complete will be taken over, and the Controller will make arrangements for the execution of such repairs, other than those provided for in paragraph 1, as may be necessary, and can be locally executed. The repairs should then be carried out forthwith at the expense of the officers concerned, and to the satisfaction of the Controller and the commanding Royal Engineer.

Cl. 109.—Duties of Civilian Armourers.

1. The first and most important duty of a senior armourer is the proper preservation of the arms, &c. in the armouries.

2. All arms placed in racks will be thoroughly cleaned by stripping and re-oiling, once in every two years, and no arms will be allowed to remain in the racks beyond that period without being so treated.

3. This cleaning will be performed progressively, so that the ordinary working staff of the station may be able to get through the work in two years, in order to render the arms last cleaned available for immediate issue.

4. The senior armourer will, under the orders of the Control officer in charge, see that this duty is fully carried out by the assistant armourers (where there are any) aided by trustworthy labourers.

5. As far as practicable at the large stations, the artificers employed in the armourers' workshops will be kept distinct from those employed in the armoury in cleaning, but their work will be superintended by the senior armourer.

6. The repairs, and work performed in the armourers' shops, as well as in the armouries, will only be executed under the direct orders given, by the Control officer in charge, to the senior armourer.

7. The senior armourer and his assistants will in no case receive and unpack, or pack for issue, arms, &c. in chests. This work will be performed by the artificers and qualified labourers of the department. General supervision of such packing or unpacking will be exercised by the senior armourer.

8. On receipt of arms from regiments, corps, ships or other services, the duty of reception, tallying, &c., will be performed by the receiving foreman and his assistants, and when this is completed an inspection order on War Office Form 277 (*see* Appendix) will be sent to the senior armourer, who will then inspect and report upon the condition of the several articles. The Control officer in charge will decide what repairs shall be done at the station to arms which are to be repaired for re-issue to the service from which they have been received.

9. The senior armourer will keep an account of the expenditure of wages involved in a ruled manuscript book, as per Form A annexed.

10. The practice, which has obtained at some stations, of the senior armourer acting as storeholder of all small-arms and small-arm material will cease, and the duty be transferred to one of the foremen selected for the purpose, so as to relieve the senior armourer from all unnecessary clerical labour, and confine his work to his proper duty, as detailed in this Circular.

ARMY MEDICAL DEPARTMENT.

Cl. 110.—Training of Army Midwives.

Regulations for the training of Army midwives are issued with the present Army Circular for the information of medical officers and others concerned.

Digitized by Google

ARMY CIRCULARS—*continued.*

Cl. 111.—Medical Examination of Recruits.

Instructions for the Medical Examination of recruits are issued with the present Army Circular for the information and guidance of medical officers and civilian medical practitioners.

WAR OFFICE.

Cl. 112.—Amalgamation of Offices of Accountant-General and Chief Auditor.

The Secretary of State having decided to amalgamate the offices of Accountant General and Chief Auditor, has appointed Henry William Sharp Whiffin, Esq., to perform the combined duties, under the designation of Accountant General of the Army.

Cl. 113.—Department of the Director General of Military Education.

The Department of the Director General of Military Education has been removed to the War Office in Pall Mall.

On and after this date all official letters intended for the Director General's Department shall be headed "Military Education," and addressed to the Director General of Military Education, War Office, Pall Mall.

All confidential or semi-official communications should be enclosed in an inner envelope, marked "confidential," and addressed to Major General Napier or to Captain Greentree, as the case may be.

ERRATA.

Clause 77 of 1870. For "hammer rivetting 2 oz.," read "hammer rivetting 16 oz."

Clause 79 of 1870, *Para.* 1. Clause 114 of 1869 is cancelled, not Clause 148, as printed.

Para. 20. The words after the word "expense" in the third line will be omitted.

Clause 81 of 1870, *Para.* 3. For "(those in §. 8 excepted)" read "(those in §. 9 excepted)."

GENERAL ORDERS,

BY HIS ROYAL HIGHNESS

THE FIELD MARSHAL COMMANDING IN CHIEF.

1st JULY, 1870.

CONTENTS.

G.O.
59. Recruiting—Re-opening of, for certain Corps in India.
60. Distinctions—Certain Corps to bear "New Zealand" on colors.
61. National Rifle Association — Army Prizes.
62. Canteens—Regimental — "Wastage" in. Q. M. G.
63. Canteens—Regimental—Strict supervision required in management of. Q. M. G.
64. Milbank Prison—Prisoners to be provided with Military clothing on release from.

G. O. 59.—Recruiting.

(Specially issued 4th June, 1870.)

I. Recruiting is to recommence for certain regiments in India, to the depôts of which authority will be sent.

II. The minimum height for infantry recruits is reduced from 5 feet 8 inches to 5 feet 6 inches.

III. All enlistments are to be henceforth without bounty, but every recruit passed into the service will, in future, be entitled, in accordance with the Royal Warrant of 2nd June, 1870, to receive one penny good conduct pay on the completion of *two* years' service, twopence after *six*, and threepence after *twelve* years—instead of after *three*, *eight*, and *thirteen* years' service—provided his conduct has rendered him eligible according to the existing conditions.

G.O. 60.—Distinctions.

(Specially issued 4th June, 1870.)

The Queen has been graciously pleased to approve of the words "New Zealand" being borne on the colours of the following regiments, in commemoration of their services in that country during the years 1845-6-7, 1860-1-3-4-5-6:—12 F., 14 F., 18 F., 40 F., 43 F., 50 F., 57 F., 58 F., 65 F., 68 F., 70 F., 96 F., 99 F.

Scrolls with the above words, for attachment to the colours, can be obtained on application to the Director of Clothing, Pimlico.

G.O. 61.—National Rifle Association—Army Prizes.

(Specially issued 16th June, 1870.)

The accompanying memoranda, showing the conditions of competition for the Army prizes and challenge cup, given by the National Rifle Association, to be shot for at the ensuing Wimbledon meeting, are published for general information.

Two competitors are allowed to be furnished by each battalion of infantry at home, and by each depôt of those on foreign service,—with a like number for every 600 men of the corps of Royal Engineers;—and commanding officers of battalions and depôts will transmit one of the accompanying "Forms of Entry" O., properly filled up, to the Adjutant General, and another to the Secretary to the National Rifle Association, *not later than 1st proximo*, holding the men in readiness to proceed to Wimbledon according to arrangements to be made by the Quarter-Master General, under charge of officers to be hereafter named for duty with them.

The men are to be fully equipped in every respect, and special care must be taken in selecting men for this honourable duty, that preference is given, not only to those who are good shots, but also to such as are of good character and steady habits, and who will be likely in every respect to do credit to their corps while absent therefrom.

Wellington Gazette

GEN. ORDERS—*continued.*

The commanding officer of the battalion which gives the winner in the second stage, will be held by the Field Marshal Commanding-in-Chief responsible for the safe custody of the "Challenge Cup," and for its return to the Secretary to the National Rifle Association whenever it may be required.

The names of the winners of prizes will be published in general orders.

G.O. 62.—Canteens. (*Quarter Master General.*)

A question having arisen regarding the manner in which "wastage" in retailing articles should be provided for in regimental canteens, the following is promulgated for general guidance:—

I. The canteen serjeant is to be regarded only as "salesman" of the canteen committee, neither liable to loss (except in case of dishonesty) or profit, and therefore no allowance in money or kind for "wastage" should be made to him.

II. All drainage of malt liquors, together with hops and refuse at bottom of casks, is to be returned to the brewers, demanding from them a like quantity of good liquor, calculating the quantity of either porter, stout, pale ale, &c., &c., according to the quantity of each sort drawn off.

III. Canteen committees should ascertain from the owners of large *retail* shops the actual losses and profits acknowledged by the trade to be inseparable from retail issue and sale of all perishable articles, so that in making up the accounts with the canteen serjeant they may be able to make the admitted allowance.

In the case of gain the canteen fund will receive it; but in the case of loss the canteen serjeant will be personally but not pecuniarily responsible, except where actual peculation is suspected, in which case the matter should be immediately referred to the commanding officer for special inquiry.

G.O. 63.—Canteens. (*Quarter Master General.*)

Attention having been recently drawn to cases of fraud or gross carelessness on the part of the employés of regimental canteens, by which discredit to individuals and serious loss to canteen funds have been occasioned, His Royal Highness the Field Marshal Commanding-in-Chief regrets to observe that the primary fault, in each instance, can invariably be traced either to a departure from canteen rules, or to a want of proper supervision on the part of the officer commanding, and the officers of the canteen committee.

The result of careful inquiry proves that when the duty of supervising the management and the accounts of regimental canteens is strictly performed, the existing rules are sufficient to render it almost impossible for any loss, by fraud or otherwise, to occur without detection at the monthly stock taking and settlement of accounts.

His Royal Highness the Field Marshal Commanding-in-Chief cannot, therefore, too strongly impress upon general, and other officers commanding, and officers in command of regiments or corps, the necessity for exerting the greatest vigilance in all matters connected with these institutions, and thus assist in preventing, if possible, the recurrence of similar irregularities, or of reducing the chances of wrong-doing to the narrowest limits.

G.O. 64.—Milbank Prison.

Instances having occurred in which officers commanding regiments have sent non-commissioned officers for the release of prisoners from Milbank without forwarding their military clothing, His Royal Highness the Field Marshal Commanding-in-Chief directs the attention of officers commanding corps to G. O. 27 of 1870, paragraph IV., and desires that under no circumstance or excuse whatever, shall a non-commissioned officer be sent to Milbank without taking with him the military clothing of the prisoner who is to be released, or, if that be not forthcoming, a suit belonging to the corps.

W. PAULET, *Adj. Gen.*

ARMY EXAMINATIONS.

NOTICE

RELATIVE TO THE FORTHCOMING EXAMINATIONS.

	Date on which the next Examination will commence.
1. Direct Commissions	See notice below.*
2. Admission to the Royal Military College, Sandhurst, under Regulations dated Horse Guards, 5th September, 1867	Postponed for the present.
3. Admission of Candidates for Royal Artillery and Engineers to Royal Military Academy, Woolwich, under Regulations dated Horse Guards, 1st May, 1868	4th July, 1870.
4. Admission to the Staff College. See Horse Guards Gen. Ord. dated 1st December, 1869	21st July, 1870.
5. Candidates for the Medical Department of the Army	Not yet fixed, there being no vacancies.

7680
203

* 1. An Examination for Direct Commissions will be held in the new building of the University of London, Burlington Gardens, Piccadilly, on the 25th July next (instead of in August as originally proposed). The examination will be conducted by the Civil Service Commissioners under existing regulations.

2. All candidates now on the list of His Royal Highness the Field Marshal Commanding in Chief, who were not selected for the May Examination, and who, on or before the 1st of July, report themselves ready for examination, will be allowed to be examined on the next occasion, if they are within the limits of age and produce the certificates required by the regulations.

3. Candidates who pass the required examination will be nominated to commissions in the cavalry or infantry of the line, according to the order in which they pass their examination; but they will become disqualified for nomination for commissions in the cavalry on attaining the age of 24, and for commissions in the infantry on attaining the age of 22, when their names will be struck off the list of candidates. No exception will be made to this rule.

4. On account of the large number of supernumerary officers to be absorbed, it is calculated that there will be no commissions available in the cavalry or infantry of the line, for the Candidates who pass successfully at the May and July Examinations, until September, 1871; and between that time and March, 1873, there will be, so far as can be calculated, 200 of such commissions at His Royal Highness's disposal.

5. Twelve commissions in cavalry or infantry regiments of the line will be given annually to university candidates, on His Royal Highness's list, who have taken the necessary degree.

6. Candidates, whose names are on His Royal Highness's list, but who will not be old enough for examination in July next, will remain on the list; but owing to the number who will most probably qualify for commissions, and who will have to be provided for, there will be no further examination for commissions in the cavalry and infantry of the line for a considerable length of time after July next, before the expiration of which period revised regulations for examination will be issued.

7. From and after the 1st July next, no candidates will be noted for commissions in the cavalry or infantry of the line who have passed the age of 14.

Alphabetical List

OF

GENERAL AND FIELD OFFICERS

RETIRED FROM THE ARMY,

With the Regiments from which they Retired.

All General and Field Officers whose names are allowed to be retained in the Army List, whether they may have sold out since or previously to the issuing of Her Majesty's Royal Warrant of the 6th October, 1854, shall send a Notification to Her Majesty's Secretary of State for War of their being alive on the 1st January and the 1st July of each year.
If such Notification due on the 1st January be not received at the War Office by the 1st April, and that due on the 1st July by the 1st October, it will be concluded that the Officer is deceased, and his name will be removed from the Army List.

LIEUT. GENERALS.
